

ONCOSANJEEVA

WELFARE FOUNDATION

HEALTH • HOPE • HUMANITY

COMPANY PROFILE

A Section 8 Non-Profit Organization | Karimpur, Nadia, West Bengal

About Us

Registered Section 8 Non-Profit

Incorporated under the Companies Act, 2013, operating as a not-for-profit entity governed by transparent statutory compliance.

Dedicated to Cancer Patients

Our foundation exists to improve the lives of cancer patients and their families across every stage of the journey.

Care, Awareness & Early Detection

We focus on compassionate care, community awareness, early detection, and continuous patient support.

Foundation team on ground, coordinating a community screening camp

INTRODUCTION

Standing Beside Every Patient

A doctor consults a patient during one of our community outreach sessions

A Journey Beyond the Physical

Cancer affects patients physically, emotionally, and financially — often straining entire families.

Support Through Every Stage

The Foundation walks with patients from diagnosis to recovery, offering guidance at each step.

A Collaborative Network

We work closely with hospitals, doctors, NGOs, and volunteers to deliver coordinated, reliable care.

OUR VISION

A Cancer-Free India

- Building a future where cancer no longer defines destiny
- Accessible and affordable healthcare for every citizen
- A nation where no patient is left behind, at any stage

OUR PURPOSE

Mission

Awareness Programs

Community-level education to build understanding around cancer prevention and risk factors.

Early Detection Camps

Free and subsidised screening camps that catch warning signs before they escalate.

Treatment Guidance

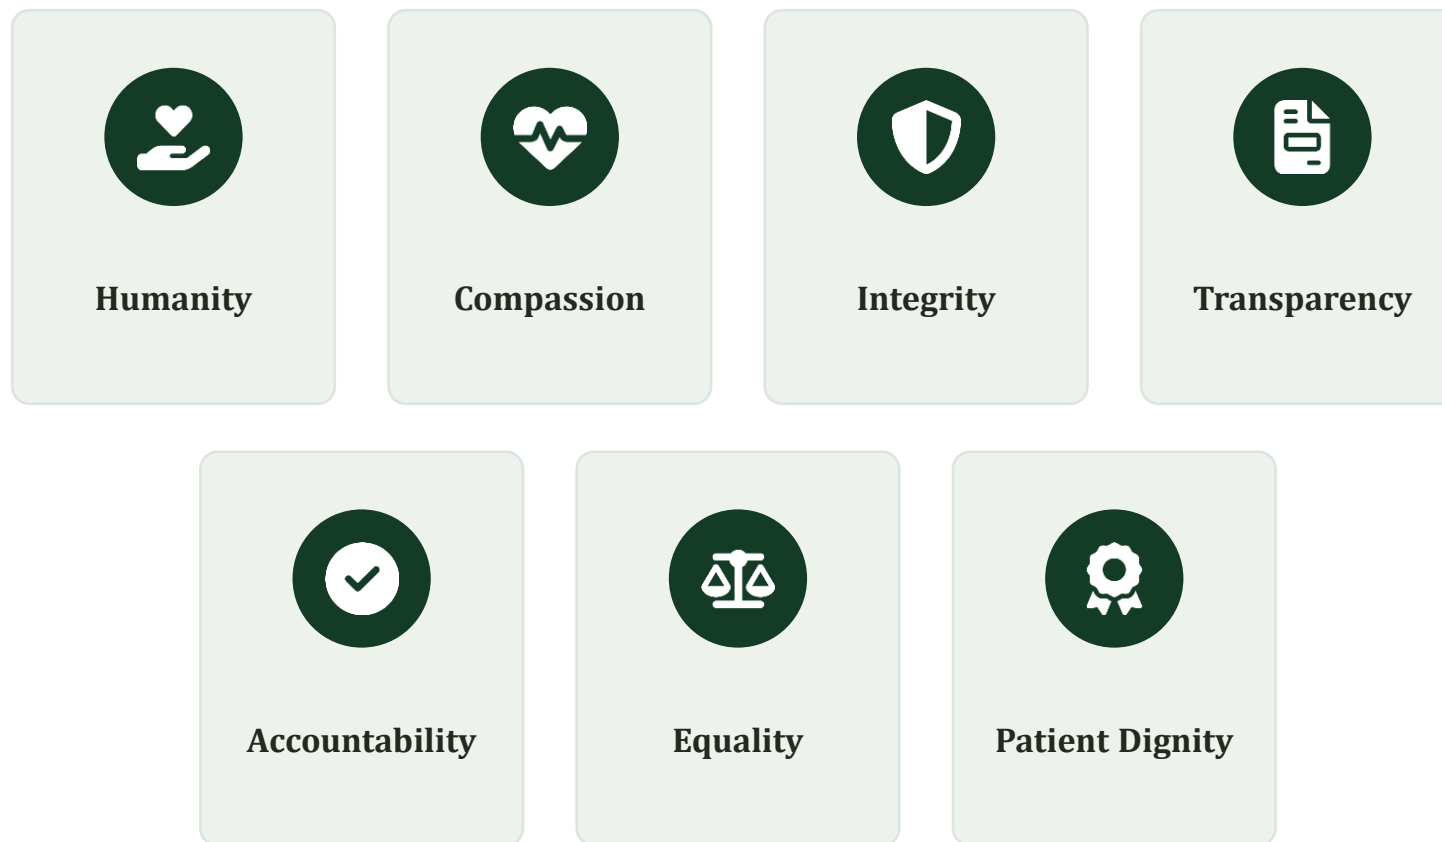

Connecting patients with the right hospitals, specialists, and treatment pathways.

Financial & Emotional Support

Easing the burden of treatment costs while providing counselling and emotional care.

Core Values

OUR REACH

Where We Work

Headquartered in Karimpur

Karimpur, Nadia District, West Bengal — our operational base.

Active Across Two Districts

Programs currently running in Nadia, Murshidabad and neighbouring areas.

Expanding Nationwide

A phased roadmap to extend our reach across India in the coming years.

OPERATIONAL FOOTPRINT

Nadia District (HQ)

Murshidabad District

Neighbouring Blocks

Roadmap: phased expansion across West Bengal, then pan-India.

Awareness & Early Detection

Cancer Awareness Programs

School, college and community outreach to spread accurate, life-saving cancer awareness.

Screening Camps

Regular free and low-cost screening camps organised across our operating districts.

Early Detection

Encouraging timely screening so cancer is caught at the most treatable, earliest stage.

Diagnosis & Treatment Support

Diagnostic Support

Facilitating access to affordable diagnostic tests and pathology services.

Treatment Guidance

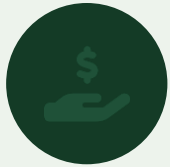

Helping patients understand options and choose the right course of treatment.

Medical Navigation

Guiding families through hospitals, specialists, and the treatment pathway.

Financial & Emotional Care

Financial Assistance

Easing treatment costs through financial aid and hospital coordination.

Emotional Support

Counselling services for patients and families coping with a difficult diagnosis.

Social Rehabilitation

Helping survivors reintegrate into work, community, and everyday life.

OUR IMPACT

Change That Can Be Measured

15,000+

Beneficiaries Reached

120+

Camps Conducted

12+

Districts Covered

**Sample figures shown for representation — updated periodically in our impact reports.*

CSR Partnership

CSR-1 Compliant

Registered and compliant under Section 135 CSR-1, enabling corporates to fund our programs directly.

80G Tax Benefits

Donations qualify for tax deduction under Section 80G of the Income Tax Act.

Transparent Reporting

Regular utilisation reports and audited statements shared with every partner.

Co-Branding Opportunities

Joint visibility on camps, campaigns, and communication materials for partners.

Why Partner With Us

Grassroots Impact

Deep, on-ground presence in the communities that need support the most.

Transparency

Clear governance and open reporting on every rupee received and spent.

Real-Time Reporting

Live updates on camps, beneficiaries, and program outcomes.

Direct Patient Benefit

Contributions translate directly into patient care, not overhead.
